The screenshot displays a form titled "Add A Reminder" with a "Go Back" link at the top left. The form includes a "Medicine Name" input field with "Penicillin" entered. Below this is a "Time" section with two dropdown menus for hours (01) and minutes (00), and a dropdown for AM/PM. The "Notifications" section has checkboxes for "E-mail" and "WhatsApp", both of which are currently unchecked. At the bottom, there are "Start Date" and "End Date" input fields, both showing the placeholder "mm/dd/yyyy". A "Save Changes" button is located at the bottom right of the form. The Windows taskbar at the bottom shows the system clock at 7:39 AM on 11/8/2022 and the temperature at 25°C.
